

WORDS OF THANKS

**Thankful for
Oklawaha
Greenway**

I'd just like to say how grateful I am to everyone who has been involved in the creation and the upkeep of the Oklawaha Greenway. Every time I walk the trail I marvel at the beauty of the design and the care that goes into its maintenance. Thank you City Council and county commissioners. Thank you planners and landscapers. Thank you groundskeepers. And thank you, too, to the many volunteers who keep the vision alive.
